• Micro-Cap Companies in Germany Requiring Succession from 2026-2030 by Revenue**

~€128.9bn

Revenue with Succession Requirements

~€96.6bn

Transaction-EV-Volume by 2030 = WHY NOW

Many Entrepreneurs Fail at Succession because the Micro-Cap M&A Market Is Structurally Underserved, leaving a Large Share of the ~€96.6bn Transaction-EV-Volume Uncaptured

Bulge-Bracket Banks/M&A Boutiques Decline Micro-Cap Mandates as Success Fees Do Not Cover the Operational Effort

	Small-Cap M&A (With Boutique)	Micro-Cap M&A Reality (Without Advisory)
Data Room	✓ Fully Prepared Data Room	✗ Incomplete or Missing Data Room
Valuation (EV)	✓ Robust Company Valuation	✗ Uncertain or Flawed Valuation
Visibility	✓ High Visibility Among Qualified Buyers	✗ Low Visibility Among Qualified Buyers
Process Duration	✓ Efficient, Predictable Transaction Processes	✗ Long, Unpredictable, or Failed Processes
Closing	✓ High Probability of Closing on Adequate Terms	✗ Low Probability of Closing and Inadequate Terms
